## NOMINEE FOR THE 2023 NEBRASKA ANGUS PRODUCER OF THE YEAR

*For more information about the annual Producer of the Year and to download the nomination form go to [www.nebraskaangus.org](http://www.nebraskaangus.org). Click on NAA Events, then click the Nebraska Angus Producer of the Year link, the form can be downloaded from this page.*

### **Purpose of the NAPOTY**

The purpose of this award is to select the Nebraska Angus Association member who has contributed the most to the advancement of the Angus business & their community; to recognize that member for their efforts & work expended in the interest of the Angus breed; to demonstrate to the public the place of the member in their community; & to call attention to the qualifications of these members for positions of leadership in the breed and its organizations. It is not a requirement that nominees must have served as State Association President but the **nominee must be a current member of the Nebraska Angus Association.**

Each Angus producer in the state of Nebraska is invited to submit the name of one nominee, accompanied by a completed application form and supporting information. The NAPOTY will be selected by an anonymous selection committee comprised of current Nebraska Angus Association members, one from each district of the State Association. The previous year NAPOTY winner will serve as chair of the selection committee.

Suggested standards for the nominations may be based on the following guidelines:

1. Angus Spirit – (25%) high principles of integrity, adherence to the "Golden Rule", good ethics among other breeders and the public
2. Civic Activity – (15%) local, state, national level participation in civic service clubs, charitable activities, political work, fraternal & religious groups
3. Business Accomplishments – (20%) recognize good business conduct, service to buyers & sellers of Angus animals, advertising programs used & creative marketing
4. Local Area Activity – (15%) board offices & committee work, special assignments, educational work
5. State Association Activity – (20%) offices held & committee work, attendance & exhibiting at the State shows, director meetings & shows attended
6. National Association Activity (5%) national offices held, committee work, attendance at the Annual meeting, regional shows, etc.

### **A complete application should include:**

1. Form available on [www.nebraskaangus.org](http://www.nebraskaangus.org)  
(see above note for locating the form)
2. A letter of recommendation from the nominees peers, community or fellow producer.
3. Color or black & white photo of the nominee and/or their operation

**DEADLINE: OCTOBER 31, 2023 – NO LATE APPLICATIONS WILL BE ACCEPTED**  
**SUBMIT COMPLETED APPLICATIONS TO: MARGO LEHN, SEC/MGR,**  
**NEBRASKA ANGUS ASSOCIATION; P.O. BOX 245 LONG PINE NE 69217**

# AM I FULL OF CRAP?

Calf scours are not inevitable. A strong prevention program is non-negotiable. Dependable scour prevention is essential for calf welfare, employee morale and business profitability. The immune system's response to vaccination is variable and unpredictable. That's why giving preformed antibodies instead of relying on a vaccine to stimulate antibody production is so important. I'm all for removing uncertainties. So yes, I stand by this product. (And no, I'm not.)

*Has chasing EPD extremes left you short of your goal?*

We don't do that here.  
Our motto from the beginning:

**In pursuit of excellence, where the only extreme we  
pursue is extremely well balanced.**

We have collected carcass and feedlot data on our steers since 1985.

But more importantly to us, how are our customers doing?

One of our customers also buys bulls from other mainline breeders who  
use and promote elite carcass traits. Here is how we fared:

Our bull on 12 head: Avg carcass wt 780 marb. score 608 REA 12.33 cal. YG 3.38

Bull #1 on 10 head: Avg carcass wt 730 marb. score 560 REA 11.87 cal. YG 3.30

Bull # 2 on 6 head: Avg carcass wt 770 marb. score 565 REA 12.27 cal. YG 3.15

Bull # 3 on 9 head: Avg carcass wt 754 marb. score 595 REA 11.32 cal. YG 3.97

AI sire on 2 head: Avg carcass wt 769 marb. score 527 REA 11.90 cal. YG 3.26

**So come and see what doing things differently looks like:**

# The Most Important Performance Trait Is Profit

Profit is generated not only in the sale ring but also through an economical and efficient cowherd.

Throughout the generations, fads have come and gone, but Mike Sitz Angus cattle have remained cost effective and functional, delivering maternal traits that bring long term dividends to you, the rancher.

With over 50 years of performance data and **100 years of breeding continuous cow families**, this time proven cowherd is known for quality, consistency, and problem free genetics.

For easy fleshing Coming-Two-Year-Old Angus bulls that produce functional and productive females along with top feeder cattle look to Mike Sitz Angus and Joel Johnston Angus.

The cows have worked for us, our bulls can work for you.

Come and see for yourself.

# 2022 Producer of the Year

**C**ONNEALY ANGUS RANCH - The roots of Connealy Angus started with Donnie Vinton Connealy's ancestors in the late 1880s who homesteaded south of Whitman, Nebraska.

Connealy Angus was founded in 1961 by Marty and Donnie Connealy with the purchase of 20 registered Angus heifers.

It was a bold move to bring those black cows into Hereford Country, but it was the start of an exciting new venture. Marty and Donnie raised seven children on the ranch, and set the stage for the importance of family in their business.

Marty and Donnie jumped into the Angus business with both feet. Marty learned how to AI and supplemented their income by AI-ing milk cows in the local area. That skill transferred to the Angus herd, and the first bull sale in 1969 was held in the original sale barn that is still in use today.

At age 14, Jerry went to AI school to help his dad, and was always keenly interested in the genetics of the herd. As it looked like Marty and Donnie's other six kids were going to choose different career paths, Jerry and Sharon came back to the ranch after college in 1981.

At that time, the herd consisted of 120 cows. It was the 1980s. Cattle prices were low, and interest rates were soaring. The Connealys were able to hang on and eventually expand, and have now grown the herd to over 3000 registered cows.

Calving (and therefore breeding) now takes place four times a year. Native hay is harvested each summer. As with most agricultural operations, it seems like there is always plenty to do.

A few over 1000 bulls are marketed each year through a fall sale, a spring sale, as well as some private treaty offerings. Other enterprises under the ranch umbrella include Connealy Marketing, which assists in the buying and selling of feeder cattle, and Connealy Angus Meat Market, which provides premium beef to restaurants and offers online sales.

Jerry and Sharon were blessed to have raised four kids on the ranch; Jed, Ben, Hannah and Gabriel, and today they are sharing their passion with their nine grandchildren.

Jed is essential to the Commercial Cattle Services portion of Connealy Angus, the AI program, bull delivery – any and all kinds of assorted ranch work. He is engaged to Jais, a practicing veterinarian, and has three children, Cian, Colin, and Aisylnn.

Ben lives in San Diego and is living a long-time dream as a civilian contractor for Navy Medicine. He's successful, he's happy, and he loves the San Diego area and weather.

Hannah and her three kids, Charlotte, Rudy and Henriette, are often visiting her parents as she is the point person for Connealy Angus Meat Market, helps Sharon with data entry, and also helps around the ranch.

Gabriel is integral in the genetic selection process for the herd, as well as calving, breeding, ultrasound preg-checking, freeze branding, bull delivery – and various day to day tasks. His wife Becca, a practicing registered nurse, also helps with many ranch and office duties. They and their three boys, Finnegan, Martin, and Mickey, live in the house at the sale site.

In addition to all the outside labor that Jerry is involved in daily, he and Sharon have worked together as a team for years. Sharon's emphasis has always been on accounting, record keeping and marketing for the ranch.

In November, Jerry completed 8 years of service to the American Angus Association's Board of Directors, serving as the Chairman of the Board this last year.

During that service he worked to keep the Angus breed on the cutting edge of the beef industry. He found that the other board members were a wonderful mixture of talent and intelligence, and brought fascinating perspectives to the table based on the region of their operation, herd size, and customer base. Those years also gave him a profound appreciation for all that is accomplished at the Association by its superior staff.

The Connealys are so grateful for the unprecedented opportunities the Angus breed has brought to their family, and are continually thankful for their many blessings.

# JOIN THE NEBRASKA ANGUS ASSOCIATION

*“promoting our state’s great Angus breeders,  
raising the best steak experience in the world”*

*Membership form found on page 95*

## NEBRASKA ANGUS ASSOCIATION

*We invite you to join the Nebraska Angus Association, and become part of the largest single beef breed organization in the state. Our Association's purpose is to promote the Angus breed but more importantly all of our top-notch NEBRASKA breeders.*

### *Association membership benefits include:*

- Publication in the annual Nebraska Angus Directory & on the Nebraska Angus Association website*
- If you sign up for our website membership link option, your website listing will link directly from our website to your page (there is an additional \$25 for this option, recently reduced from \$50)*
- A free subscription to the popular Nebraska Angus News magazine*
- Publication of your sale date on our sale calendar in the Nebraska Angus News and on our website*
- Participation in Association activities including Husker Harvest Days, Annual Tour (when it's in your area), and the Nebraska Cattlemen's Classic Show and Sale (our state show and sale)*
- Reduced advertising rates; receive production sale catalog printing discounts & other advertising item discounts from our printer*
- Notification when buyers are looking for all classes of Registered Cattle*
- New members are entered into a drawing for a half page black & white ad in our directory, a \$150 value (the winner has the option to upgrade to a full page ad and color)*
