WINTER ISSUE 2024

RAISE THEM STRONG.

TRUE BLUE NUTRITION FOR ANY CONDITION.

Healthy newborn calves and improved conception rates start with cow herd nutrition. Vitalix tubs are the ideal delivery system to provide essential nutrition for calving. Vitalix uses technologies that are proven to improve colostrum quality, calf health and immunity, all while supporting the mother cow now, and more offspring to come.

Happy New Year to you all! 2023 sure flew by and 2024 is now upon us. I am not sure where the time has gone, but we are ready to take on a new year here at the Nebraska Angus Association. A new year means new sales, new babies, new members, new schedules, and more! Here at Nebraska Angus Association, we work hard and take pride in helping provide resources to help you maneuver all the “new” obstacles for the year.

Since my last writing the annual meeting and banquet has commenced in Kearney, Nebraska. This year the meeting consisted of a recap of 2023 events, financial report, updates from NCC-The Classic, and a voting by the membership to move the annual meeting and banquet to the annual tour. This movement will be a big change for the organization, but the board is hopeful that moving this event will help the events complement one another. Keep watching our magazine news issues, Facebook page, and website for updates. Movement of this event will change other events that occurred that first weekend in December as well, such as the royalty contest. When and where this event will be held will be decided soon and the entire membership will be made aware when that decision has been made.

Following the meeting, a social and an educational presentation took place. Fellow breeders and participants were able to connect with friends, make new acquaintances, and learn about AAA login. To conclude the evening a brisket buffet was served and various awards were given out including the Nebraska Producer of the Year, heifer raffle scholarship winners announced, past president recognition, and crowning of our 2024 royalty. Please see pages 28 & 29 for more information! The Nebraska Angus Association also did their annual directory page auction, and the Nebraska Junior Angus Association held their semen auction. The Nebraska Angus Auxiliary provided a very nice silent auction and helped with check in. Thank you to everyone who helped this year’s meeting and banquet go so smoothly!

Now that sale season is upon us, and the cows are calving, everyone will stay very busy. In my calendar there is a bull sale just about every day from the end of January-first weekend in April. At the beginning of each year, I sit down and figure out what sales will fit into my family’s busy schedule and I make plans to attend. Each year I go to new sales and my goal is to be able to attend all Nebraska Angus Association members sales at least once. If you have any questions about advertising, need help with printing sale catalogs, or need someone to help design an advertisement or catalog please reach out!

I hope everyone has a prosperous 2024 and I hope you always know your welcome to reach out to our board members if you have any questions or concerns!

Sincerely,
 Margo Lehn

PRESIDENT SPEAKS

By: Brian Stoller, NAA President

Tis' the season,

It is the season for a lot of different things going on around the ranch and with the Nebraska Angus Association. With each season in the cattle business, we all know there is never a dull moment.

It was great to see so many attend our association's annual meeting and banquet in Kearney the first Saturday in December. As an association, we decided to move this event to be a part of the annual tour which will be the day and evening before the tour starts annually. Next year the tour will be in southeast Nebraska in September. During the banquet we crowned our new Nebraska Angus Queen, Addi Crouse, and Princess, Mckinley Stoller. I look forward to seeing both of these young ladies represent Nebraska Angus.

Our new regional manager, Will Harsh was our guest speaker, and he talked about how to better utilize member login. Will is a wealth of knowledge and easy to visit with, and I would urge anyone who has any questions to contact him. We finished up the evening with the supper and awards where Past President Joe Epperly was recognized, heifer raffle scholarship winners were announced, and the Ostrand Family from Ansley was selected as the producer of the year.

Many of us Angus breeders are starting to prepare for bull sales and getting ready to start calving. Calving and bull sale season is such an exciting and much anticipated time of each year. As cow numbers are at an all-time low, it is so important to rebuild this cow herd with great genetics, and Nebraska Angus cattle are as good genetics as you will be able to find anywhere in the world.

Last but not least, the holiday season is a great time to be with friends, family and loved ones. I am wishing each of you great times and memories.

Sincerely,
Brian Stoller

NE AUXILIARY PRESIDENT SPEAKS

By: *Aliesha Meusch, NE Angus Aux President*

Hello Angus Family,

My name is Aliesha Meusch and I am the new Nebraska Angus Auxiliary President! I am looking forward to working with the Nebraska Angus and Junior Angus Associations, as well as, all our auxiliary members during my term. As a 4th generation Angus producer, I grew up showing cattle in the Nebraska and National Junior Angus Associations. Upon the completion of my junior involvement, I continued to stay involved by being an active member in the American Angus Auxiliary and now the Nebraska Angus Auxiliary. I have a strong passion for the Angus industry and am proud to be raising the 5th generation, my children, Etta Kate and Reilly, to love the breed like I do.

We held our annual meeting at Diva's at Kearney Floral in December, alongside the Nebraska Angus Association annual banquet. Ten members gathered to conduct the meeting, create a winter floral arrangement and enjoy each other's fellowship. New officers were elected and they are as follows: Aliesha Meusch, President; Lisa Brown, Vice President; Emily Johnson, Secretary; Lynette Nelson, Treasurer; and Laurie Dethlefs, Advisor. We also discussed fundraising efforts, scholarships, queen contest, and our meeting plans for 2024.

Our annual silent auction took place at the Nebraska Angus Association annual banquet. We had a wide variety of items to offer and it was a successful effort. We also offered a table-top cow planter holiday arrangement for live auction. Thank you to all our bidders and buyers for your support of our auxiliary and scholarship program!

Stay on the lookout for our next meeting information! You can join our 'group' on Facebook to get the most current information related to meetings and events. If you are not on Facebook, please reach out to an officer for more information and to get on our email list. We hope to have three in-person meetings and one Zoom meeting a year. At our meetings, we strive to move them around the state, while also doing an educational opportunity. Members participated in the floral design project and toured McLean Beef in York for some of our educational opportunities this year. The Auxiliary works to support the Nebraska Angus and Junior Angus Associations at various shows, often providing goodies and good luck.

The Nebraska Angus Auxiliary is growing and we want you to be a part of it! Reach out to myself or any of our officer team to become a member. We look forward to a great year with our new officer team and supporting our Angus family across the state!

Here's to a great 2024!

Happy New Year Angus Family!

Cheers to a New Year! I hope this article finds you rested from a blessed holiday and geared up for a successful calving season! Proudly, I can say I survived my first semester of college and enjoyed my few weeks of holiday break! As I reflect on my first semester, I can't help but be very thankful for all that I've learned from my involvement in the Angus association that has pushed me and prepared me to be successful in all that life throws at me.

The Juniors had a very successful Winter Show in Kearney, Nebraska, on December 2-3, 2023. On Saturday afternoon, our junior meeting was held where state show committees were set up and bylaw changes were reviewed and voted on. For the first time in several years, Nebraska had more than one junior member running for National Junior Angus Board. Every year at the National Junior Angus Show, six new directors are elected to the National Junior Angus Board. During their two-year term, they develop and carry out programs and events to serve junior members and the Angus breed across the nation. Juniors recognize them as a 'green-coat', since a green jacket is the official dress of the National Junior Angus Board. As a state, Nebraska is allowed to have one candidate run for the National Junior Angus Board. This year we had the opportunity to select Nebraska's candidate from two of our members, who both declared their intent to run for the National Board. A competition was held during our junior meeting where the candidates were interviewed and had the opportunity to give a speech. We are excited to announce that Kasey Meyer will represent Nebraska and run for a "green coat" position this summer at the National Junior Angus Show in Madison, Wisconsin. NeJAA is excited to support Kasey and do all we can to get her elected!

On Saturday evening, the annual NeJAA Semen Auction was held at the Nebraska Angus Association Annual Meeting and Banquet. The auction offered 22 lots of superior Angus Genetics, an AI kit, and one premium advertising spot on the 2024 NeJAA t-shirt. The Nebraska juniors really appreciate the strong support of our largest fundraiser. Thank you to all donors and buyers, we are very grateful! Please know your donation dollars have been put to good use. At the 2023 National Junior Angus Show in Grand Island, the juniors updated our stall cards with a modern, eye catching look. We also offered a state meal nearly each day of Nationals bringing our membership together with good food and strong fellowship. Our most proud investment has been a new and much improved show backdrop to be used at all NeJAA shows. The new backdrop debuted at the Winter Show in Kearney. Again, thank you to all that have donated time and money to allow these upgrades and experiences to happen. Also a big thank you to TC Ranch for donating the heifer for the Nebraska Angus Association annual heifer raffle scholarship, and to everyone that purchased tickets for the raffle. Congratulations to Kacey Dethlefs, JessaLynn Hudson, and Addison Cotton for winning the heifer raffle scholarships! NeJAA is forever grateful for the continued support from so many generous supporters...thank you!

On Sunday, the Winter Show kicked off at 9:00 AM with showmanship. Thank you to Brady Jensen for evaluating over 50 head. Congratulations to all exhibitors! Results are listed on page 38 and 40.

The next NeJAA meeting will be held in conjunction with the Nebraska Cattlemen's Classic on Saturday, February 24, 2023, time to be announced. At this meeting juniors will review and set the 2024 budget, as well as break out into the planning committees for the 2024 State Show. The Nebraska State Angus Show will be held in Broken Bow, NE on May 31 - June 2, 2024.

Respectfully yours,

Addison Cotton

DEALER INQUIRY INVITED
Made in Nebraska!

Now Powder Coated for Added Durability

Brad Eik, MT - "This is an incredible product that everyone that ranches should have on their place!! They are simple to use for anyone, and the safety they offer really puts the mind at ease that this chore can be completed on one's own without the risk of being mauled. It really takes the work out of calving!"

Marvin Schultis, NE - "It works great! Would not be without it!"

Glen Leggett, MO - "This is the best tool to use if you are a cattle producer who tags and weighs your calves. Has turned tagging and working calves into a one man operation, and made it safer to do it."

SELLING 150 BULLS (100 YEARLINGS & 50 COMING 2'S)

NAA PRESIDENTIAL SPOTLIGHT

JOE EPPERLY

Your 2023 Nebraska Angus President Joe Epperly has served many roles throughout the United States in the cattle industry. Joe was born in Raleigh, North Carolina, grew up in Moneta, Virginia, and has lived in Albion, Nebraska, for the last six years working as the Wagonhammer Ranches director of genetics and sales for their Angus, Charolais, and Simmental programs. He received his B.S. in Animal Science from Virginia Tech and was on the livestock judging team there.

Joe grew up on a diversified livestock operation, which consisted mainly of Angus seedstock along with commercial cattle, quarter horses, sheep, and goats. His father managed Springfield Angus in Louisburg, North Carolina, when he was born, and currently, his parents live in Moneta, Virginia, and run ADR Cattle Company LLC running around 400 registered Angus cows. Joe's brother Will was the 2022 World Livestock Auctioneering Champion and lives in Dunlap where he is a partner in Dunlap Livestock Auction with his wife Ally and son Zeke. Joe's wife Kelly is a veterinarian at Columbus Small Animal Hospital and is originally from North Carolina. Joe has been involved in various board and community groups including being the immediate past president of the Beef Improvement Federation, currently serves on the breed improvement committee of the

JOE EPPERLY RECEIVING 2023 PRESIDENT AWARD FROM NEW INCOMING PRESIDENT BRIAN STOLLER

American International Charolais Association, is on the Boone County 4H Council, and is the chairman of the Cardinal Classic Cattle Show committee. In his spare time, he likes to travel, judge shows, team rope, and play golf.

Joe started in the Angus cattle business when Alphonse Stroobants gave him his first heifer at birth and Tom Burke gave him his junior membership. His family raised Angus cattle from then until now and the family ran Springlake Livestock Market throughout Joe's childhood until he was 18. Joe was on the

Virginia Junior Angus board growing up and then went on to serve on the National Junior Angus board. Before coming to work for Wagonhammer he worked for a breed association and was in charge of performance programs.

At Wagonhammer Joe helps lead the program to be built around a "Total Performance" defined as excellence across multiple traits in order to provide a well-rounded quality phenotype with a quality genotype to our commercial customers. Their 1,500 head commercial herd helps give insight into the traits of economic relevance to help aid their customers. Joe

arranges two sales a year with the first being their bull sale the third Wednesday in March and their female sale the Friday before Thanksgiving.

As Joe moves into the Past President role, he wants members to know that the most rewarding part about being a member of the Nebraska Angus Association is, "Getting to work and know the Angus breeders from across the state. My advice is to always stay involved and keep your eyes and ears open. You'll be surprised where that will take your program. The Nebraska Angus Association is diverse and welcoming. People love to talk about cattle, so if you want to learn, take advantage of being in one of the greatest states for Angus seedstock in the world. The goal of the Association is to continue to be leaders and help our members grow their own programs."

NEBRASKA PRODUCER OF THE YEAR

OSTRAND ANGUS Ostrand Angus Ranch, owned and operated by Kory & Danielle Ostrand, is located south of Ansley in the rolling hills of Custer County. The ranch has been in the Ostrand family since 1884, when Kory's Great-Great-Grandparents, August and Caroline Ostrand, came from Sweden and registered their homestead southwest of Mason City.

Kory is the 5th generation raising cattle and farming on the Ostrand Ranch, but is the 1st generation with registered Angus. Kory purchased his first registered Angus heifer from Boyles Angus when he was nine years old. He grew his herd by purchasing additional females from the money he received from his 4-H projects. In 2001, Kory held his first bull sale at Huss Livestock Market in Kearney, when he was still in high school. He continued to manage and grow his cow herd while attending college. Following his college graduation, he moved back to the ranch to continue farming and ranching.

The Ostrand Angus herd grew in late 2012 when they had the opportunity to purchase the mature cow herd from Slagle Angus of Sargent. This expanded their registered herd from 120 to 420 head. For the next seven years, they worked side by side with Slagle Angus hosting joint production sales at the Slagle Ranch. Through this time, they learned so much; gained many new friends and customers; and walked with Mark Slagle as he battled an illness. In 2019, after Mark's passing, Ostrand Angus was blessed with the opportunity to purchase the remaining of the Slagle family's cows to carry on the Slagle Angus reputation.

Presently, the breeding program includes 500 registered Angus cows and

OSTRAND FAMILY WITH PAST WINNER CONNEALY ANGUS BEING REPRESENTED BY GABRIEL CONNEALY

130 registered Angus bred heifers which all calve mid-December through February. Ostrand Angus puts great emphasis into their AI breeding program with some embryo transfer work. The cattle graze on owned and leased native grass. Other crops that are included in the operation are corn, alfalfa, cane, and irrigated grass. Presently, they hold their annual production sale on the third Wednesday in February at their ranch south of Ansley. They will market 160 yearling Angus bulls and 35 yearling replacement heifers. Private treaty bulls are also for sale late spring. The steer mates to the bulls are finished at the Ostrand ranch where they receive individual carcass data to reassure their cattle have superior carcass merit.

Kory and Danielle have four children. Their son, Brexton, is 11 years old. Twin girls, Avery & Olivia, are 9 years old. The youngest ranch hand, Merrik, is 5 years old. The children are great ranch hands and love being a part of the various ranch duties. Kory and Danielle love the teamwork that comes from running a registered cattle business together. From raising calves to chasing kids,

bull sale picture days to late night catalog proofing, recordkeeping to bull shopping, juggling children's activities to hours together chute side, from working in the sorting pen to the AI barn, and working in the hay field and silage field they find such joy in doing it together. To carry on the family ranching heritage, Kory partners with his father Neil, who runs the commercial cow herd. Also, Kory's aunt, Kathy Ostrand, his cousin Chris Hogg, and neighbor Chase help make the operation work. Ostrand Angus has helped their children each start their own registered Angus herd, which is laying the foundation for the 6th generation on the ranch. The children look forward to helping sell their own bulls each year on the production sale. The family has also found a passion for showing cattle at the country fair and have branched out to the Nebraska Junior Angus winter and state shows and hopefully will attend a national show in the future. When the cattle work is done, the family loves to go camping, run in a barrel race, or compete at a junior rodeo.

Kory, Danielle, and their family are humbled to accept the Nebraska Producer of the Year award this year. A special thank you to the fellow Angus members and friends who have mentored Ostrand Angus and poured into their family. They look forward to continuing to serve the Angus breed and working with the best cattleman around, and plan to leave a legacy for the next generation.

NEBRASKA ANGUS ROYALTY COMPETITION

NEBRASKA ANGUS ROYALTY COMPETITION
On December 2nd, 2023, the Nebraska Angus Auxiliary and the Nebraska Angus Association hosted the Nebraska Angus royalty contest at the Younes Convention Center in Kearney, Nebraska. During the event, the morning included a brunch, great social networking, and beautiful decorations. The event was headed by our Nebraska Angus Auxiliary queen chairwoman Kourtney Tarnick with the help of Nebraska Angus Secretary/Manager Margo Lehn.

This year there were two contestants. Of those contestants running for princess was McKinley Stoller of Palisade, and for queen was Addi Crouse of Belgrade. During the contest the contestants took part in an interview, and performed a presentation on why they wanted to be the next Nebraska Angus queen or princess. This year's judges were Emilee Hoffschneider of Minden and James Felt of Wakefield.

During the banquet later that evening in front of the entire Nebraska Angus Association membership, Addi Crouse was crowned queen and McKinley Stoller as princess. As queen Addi was awarded a belt buckle, rose bouquet, travel bag, crown, sash, crown pin, and a \$1,000 travel award. For princess McKinley was awarded a belt buckle, rose bouquet, travel bag, crown, sash, and crown pin.

The Nebraska Angus Auxiliary and the Nebraska Angus Association would like to thank our sponsors that helped make this event an unforgettable one. Thank you to Aliesha Meusch, Dethlefs Angus, Heather and Rachel Smith, and Kourtney Tarnick for your generous donations! If you would like to meet Addi or McKinley, or have them come to your annual production sale, please reach out to the Nebraska Angus Association office. We are proud to have Addi and McKinley on board as our 2024 Nebraska Angus Royalty!

2023 ANNUAL MEETING RECAP

ANNUAL MEETING

The 2023 Nebraska Angus Association meeting and banquet was held in Kearney, Nebraska at the Holiday Inn/Younes Convention Center on December 2nd, 2023. Starting off the event was the annual meeting and there were 29 members in attendance. During the meeting the 2022 annual meeting minutes were read, a financial report was discussed, a 2023 event recap was presented, the 2023-2024 officer slate was voted on, a Cattlemen's Classic update was given by Ronnette Heinrich and Craig Dethlefs, and a decision to move the annual meeting and banquet to the annual tour date was voted and passed.

After the meeting, a social was enjoyed with drinks and hors d'oeuvres and was followed with a presentation by new American Angus Association Nebraska representative Will Harsh. His presentation included a talk about American Angus Association login and portal help. He provided insight for members on how to submit data efficiently and walked through some specific case scenarios.

Rounding out the evening was the annual banquet. A brisket buffet dinner was served with several Nebraska Angus awards and speeches given, including the crowning of the 2024 Nebraska Angus Queen winner: Addi Crouse, crowning of Nebraska Angus Princess winner: McKinley Stoller, recognition of the 2023 Pro-

ducer of the Year: Ostrand Angus, and the acknowledgement of the heifer raffle scholarship winners: 1st place- Addison Cotton, 2nd place- JessaLynn Hudson, and 3rd place- Kacey Dethlefs. Also speaking during the event was Addison Cotton the Nebraska Junior Angus Association President, outgoing Nebraska Angus Royalty Kacey Dethlefs and Brianna Brown, and Laurie Dethlefs the Nebraska Angus Auxiliary President. A directory page auction, junior semen auction, door prizes, and silent auction also concluded. We want to thank everyone who participated and helped this year at the 2023 annual meeting and banquet and we look forward to next year's event at the tour!

AM I FULL OF CRAP?

Calf scours are not inevitable. A strong prevention program is non-negotiable. Dependable scour prevention is essential for calf welfare, employee morale and business profitability. The immune system's response to vaccination is variable and unpredictable. That's why giving preformed antibodies instead of relying on a vaccine to stimulate antibody production is so important. I'm all for removing uncertainties. So yes, I stand by this product. (And no, I'm not.)

OUR ANGUS FAMILY OBITUARY & NEWS

CLINT EDWARD HEBBERT age 61, of Ashby, Nebraska died Tuesday, December 5, 2023, at the University Nebraska Medical Center in Omaha, Nebraska, surrounded by family and friends. Clint and his family lived 4 years and 4 months following a Stage 4 Esophageal cancer diagnosis.

Clint was born November 6, 1962, in Alliance, NE to Randall "Gene" Hebbert and Gail (Michel) Hebbert. He was a lifelong Sandhills resident, growing up in Ashby and attending elementary school, and graduating from Hyannis High School with the class of 1981. When Clint started school, he firmly told his family that he didn't need to go on the second day, because "he learned all he needed to know yesterday". He talked fondly about growing up in Ashby, running with "the gang of kids that were in the area, playing", sledding on the hill south of town, and hunting. He started summer work in the hayfield with his dad when he was six years old, and he and his brother Sid were working and helping at brandings by the time they were 10. He and Sid trapped muskrats in the winter to make money and cover whatever expenses that came around.

Following graduation from high school, he went to work for area ranchers, and got started in team roping when he worked for Joe Ferguson. In 1981 he won the Grant County Roping club year-end Header buckle, he continued team roping with area friends traveling all over Nebraska, whenever possible.

In 1984, he started working for the Nebraska Dept of Roads, as a maintenance worker, advancing to Maintenance crew chief out of the

Hyannis yard. He worked for them for 24 years, leaving at the end of 2007 to realize his dream of ranching full time. He and his yard and crew were awarded "Yard of the Year" for District 6.

He met his wife Suzy (Kowalski) Hebbert, on a blind date in early 1991 and they were married on November 23, 1991. They celebrated 32 years of marriage on Thanksgiving this year. He started a "cattle partnership" with his brother Pat in 1989, then Clint and Suzy added registered Angus cattle in 1993, building their herd to its current level of 120 head of cows and heifers. In their early years, they marketed the seedstock by private treaty and finally moved to an "outdoor auction" in 2015. He and Suzy completed the Enhancing, Developing & Growing Entrepreneurs or "EDGE" business program offered by the University of Nebraska, winning second place statewide for their business program in 2001. They continued to expand their business and were recognized by the Nebraska Angus Association as their 2020 Nebraska Producers of the Year.

Clint had a very strong work ethic, his motto was "If you're going to do something do it well and do it right"! If you're working on the highway, keep it in good shape for the safety of travelers, clear it of snow and ice, quickly and efficiently. When you fix fence, make the wires tight and evenly spaced, if you need to set a crooked post, you dig the post hole, so the post appears straight above ground. Take the initiative, if you see something that needs to be done, do it, don't wait for someone to tell you to do it. Maintain your vehicles and equipment and they will last longer.

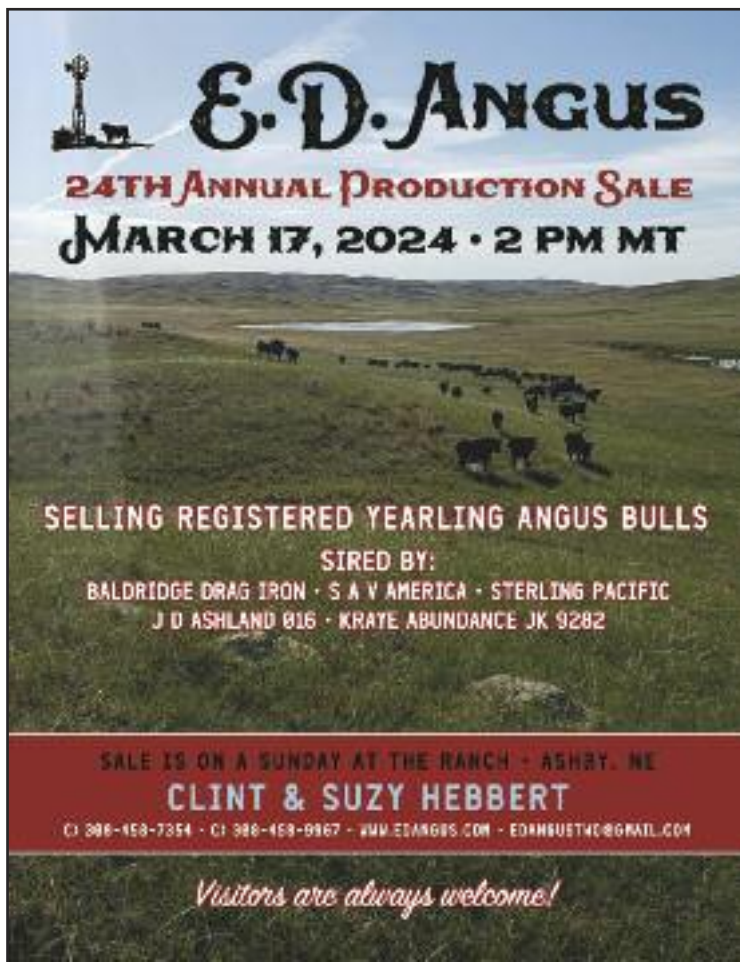

Family and friends were important to him. He treasured the time spent growing up with his cousins and friends who were like family. He instilled in his sons that education was important, especially their education outside the classroom, and to be a lifelong learner. He was his wife's Mr. Fixit, doing the household repair tasks, maintaining their vehicles and lawn equipment. He installed many of the appliances in their home and even did the plumbing on their addition to their house. If he wasn't "sure" exactly how to do a repair, Google® and YouTube® were his go to reference manuals. He figured out he

could use game trail cameras with cellular signals to keep track of the water level in his stock tanks in the cattle pastures. It wasn't easy for him to accept offers of help, but if he saw someone else who needed a helping hand, he was usually one of the first ones to show up. Some of his most treasured life events included watching his sons graduate from their post-secondary education programs and walking his daughter-in-law Kate down the aisle on her wedding day to Ed.

He had many hobbies including watching rodeos and he was an avid Husker football and volleyball fan. He knew when all the local high school games were on tap, and he enjoyed cheering for his sons and the children of friends. He enjoyed finding the latest gadgets to use on the ranch such as cameras on the bale bed pickup or the latest Milwaukee battery powered tool. He truly enjoyed attending gun shows. The most important "hobby" was helping his neighbors and friends by being a true Sandhills rancher. Clint was a good teacher, he taught his sons about everything from cattle ranching, to trapshooting, to work hard but also to find time to enjoy the little things in life, like cinnamon bears. Clint was an active member of the Ashby C.A.V.E (aka Citizens Against Virtually Everything) and always had an opinion at the meetings. He enjoyed living and being from the Sandhills and that way of life. As some people would say he is a rock solid Sandhiller. Hard to find a Sandhills community member that he couldn't strike up a conversation with. Sometimes just checking the cattle would turn into an all-day "chore" because we found someone to visit with along the way.

He was preceded in death by his parents; and his grandparents; Albert and Ima Hebbert; and Louis and Ethel Michel. His brother Pat, and father-in-law John Kowalski.

Clint is survived by his wife Suzy, of Ashby, NE. His sons Ed (Kate) of Grafton, NE and Joe (Makala) of Stuart, NE; his sister; Betty Jo (Jim) Leapley, of Coleridge, NE; his brother; Mike "Sid" (Vicki) Hebbert, of Prescott, AZ; Mother-in-law Eileen Kowalski of St. Paul, NE; brothers and sisters-laws Steve (Kay) Kowalski of Custer, SD and Sam (Carol) Kowalski of Virginia Beach, VA. Aunts and Uncles, numerous nieces and nephews; and

INTEGRITY. QUALITY. MATERNAL. PERFORMANCE.

several great nieces and nephews, cousins and a very large circle of friends, and his faithful service dog, Will.

While Clint lived the last few years of his life battling with cancer that eventually consumed his earthly body, we all won because he lived with courage, humor, hard work, dignity, and a zest for life.

Funeral Services were held Sunday, December 10, 2023, at 2:00 pm MT in the Lecture Hall at the Hyannis High School in Hyannis, NE. Burial was in the Ashby Cemetery. Memorials are suggested to the Grant County Rescue Unit Fund, PO Box 164, Hyannis, NE 69350, or the Family in care of Suzy Hebbert, 905 Railroad Dr, Ashby, NE 69333.

From Our Mailbox

Nebraska Angus Association,

Thank you for awarding me the second place heifer raffle scholarship for \$1,000. Currently, I am a freshman at UNL majoring in ag business with minors in Engler Entrepreneurship and Beef Industry Scholars. This scholarship will help me with my college expenses.

Thanks again,
 JessaLynn Hudson

Margo & Nebraska Angus,

I intend on doing this every year, but somehow it gets away from me! I want to thank Nebraska Angus and you specifically for all you do to make each and every tour such a success! I know it's a lot of work you go through to line it all up and see it through fruition. We all know you pour your heart into it and it does not go unnoticed. We have an awesome time every year, learn something (actually a lot), eat too much, but enjoy the food immensely, enjoy all the stops and cattle displays, and leave saying it went too fast and we can't wait until next year! Please extend my families thanks to all the sponsors and participants!

**COMMITTED TO CARE.
BACKED BY BQA.**

WHY CERTIFIED ANGUS BEEF CARES

RAISED WITH RESPECT

Respect is the foundation upon which Certified Angus Beef producers and consumers find common ground. Producers respect the consumer's need for high-quality beef raised right. Consumers want to know that producers are invested in sustainability, safety, and the best care for animals. Both want the same thing – respect for the animal and for each other.

And both want to be heard. Beef Quality Assurance (BQA) certification gives Angus cattle producers and consumers a voice that brings everyone to the table. It builds a connection. It says, "This matters." Because in this industry, respect isn't just something – it's everything.

We know Angus producers are committed to raising the best beef the

right way. We also know that Certified Angus Beef partners and consumers want to know more about how cattle are cared for. Of the 51% of consumers who have concerns about beef production, their greatest concern is animal welfare, compared to concerns about environmental impacts, antibiotic use, or hormones.

For cattlemen and women who are raising beef to higher standards, becoming BQA certified is an easy, effective way to get credit for the care you're already giving your livestock. BQA or equivalent programs verify your commitment to consumers. That's why Certified Angus Beef is sharing your story to build stronger beef demand and increase consumer trust.

**THESE AREN'T YOUR
NORMAL BQA TRAININGS**

We're rethinking BQA training. By partnering with Sysco for our Raised with Respect™ campaign, we're working with key states, cattlemen's associations and educators, we to bring you BQA education like you've never seen before. You're guaranteed to enjoy a Certified Angus Beef® brand meal while you network with other producers and industry experts.

• **When:** February 24 from 11:00 a.m. to 4:00 p.m.

• **Where:** Round the Bend Steakhouse, 30801 E Park Hwy, Ashland, NE 68003

• Get BQA'd, enjoy a Certified Angus Beef® brand lunch and network with industry experts and your fellow producers

• Meet-and-greet with Coach John Cook, Head Coach for University of Nebraska volleyball

MAKOVICKA ANGUS

GENETICALLY POWERFUL FEMALES

COMPLETE DISPERSAL SALE

SATURDAY | FEBRUARY 3, 2024 | RISING CITY, NE

Selling Bulls, Opens, & Breds! Progeny from our Donors Sell!

PROGENY OF 426 & 5136 BRED TO MARCY SCALE CRUSHER, RITO 7075 AND DEADWOOD.

PROGENY SELLS!

RB Lady Denver 167-426 18143481

Sire: EXAR Denver • Dam: RB Lady Party 167-305

She was the top bred cow at the Riley Brothers 2017 sale going for \$30,000 for 1/2 interest. Her flush sister RB Lady Denver 428 produced the \$200,000 high seller in the 2017 Las Vegas Angus Final Sale. Another flush sister, RB Lady Denver 167-453 is a standout in the donor pen for Linz Angus. Dam is a full sister to Tour of Duty.

WMS Blackcap May 5136 18850287

Sire: SAV 8180 Traveler 004 • Dam: SAV May 2397

She is a tremendous full sister to SAV Blackcap May 4136, one of the most prolific and influential cows in SAV history producing more than \$10 million in progeny. Dana Williams who raised many of SAV Blackcap May 4136 progeny for Schaff Angus (Resource, Renoun, Recharge) said 5136 will out produce 4136 phenotypically. Colonel Matt Lowery saw her and said "She is one of the best cows in the nation."

PROGENY SELLS!

WANTED

The Nebraska Angus News is in search of photos from around Nebraska from our fellow Angus Breeders! We would love to see them and publish some in our magazine and maybe on the Cover!

If you have a picture of your place or your Angus herd please send to:
jcranchdesigns@gmail.com
 Photos must be high resolution (300 dpi or better) and at least 8 inches wide.

RAISING *quality cattle* WITH THE *value of heterosis* SINCE 1984

Angus Heritage Foundation inducts new honorees

Four inductees join the Angus Heritage Foundation at the 2023 Angus Convention.

To celebrate and honor the contributions of individuals who have gone above and beyond for the Angus Breed, the American Angus Association® created the Angus Heritage Foundation in 1983. At the 2023 Angus Convention in Orlando, Florida, three couples and one individual were inducted into the Heritage Foundation for their innovation, service and leadership. Over the past 130 years, The Business Breed has proven itself an industry leader. Inductees of the Heritage Foundation define the type of breeders who built this reputation with their drive, ambition and forward-thinking attitudes.

From the start of their operations, these individuals set out on a mission to improve the Angus breed and

the cattle industry. Each remained resilient while navigating the ever-changing beef industry and its challenges.

The 2023 inductees include: Phil and Ruth Abrahamson, Lanesboro, Minnesota; Jerry and Sharon Connealy, Whitman, Nebraska; Ben and Darla Eggers, Mexico, Missouri; and the late Doug Parrett, Champaign, Illinois.

Jerry and Sharon Connealy met at the University of Nebraska–Lincoln. After graduating in 1981, they moved back to manage the family ranch where Jerry was raised, south of Whitman, Nebraska. While Jerry and Sharon’s roles on the ranch have changed and expanded, their commitment to the production of high-quality genetics has been constant. The Connealy family has

Broadening Real-Time Auctions

hosted a bull sale since 1968, and today markets around 1,000 bulls annually through spring and fall sale offerings. Connealy Angus is committed to utilizing the best resources available in all aspects of cattle production and range management.

Dedicated to the betterment of the industry, Connealy Angus hosts numerous tours at the ranch each year and has been a diligent supporter of the Angus Foundation. Jerry recently concluded an eight-year tenure on the Association board of directors, serving as president in 2022. Jerry and Sharon raised four kids, Jed, Ben, Hannah and Gabriel, on the ranch, and today they are sharing their passion with their nine grandchildren.

"We are continually surprised and shocked and humbled by the fact that we're still here and the fact that we are surrounded by so many good people," Sharon said. To learn more about the Angus Heritage Foundation and those inducted since its inception, visit www.angusawards.com. -Written by Peyton Schmitt, Angus Communications

Julia Wolfe earns Junior Silver Award

Julia Wolfe, Raymond, Neb., has earned the National Junior Angus Association's (NJAA) Silver award, according to Caitlyn Brandt, events and junior activities director of the American Angus Association® in Saint Joseph, Mo.

Wolfe is the 14-year-old daughter of Cindi Wolfe and attends Raymond Central Jr/Sr High School. She is a member of the NJAA and the Nebraska Junior Angus Association.

She has participated in local, state and national shows. At the National Junior Angus Show (NJAS), Wolfe participated in the quiz bowl, live-stock judging, public speaking and Skill-A-Thon contests. She also participated in the mentoring program in 2021.

The advertisement features a circular logo on the left with the letters 'do' inside and 'PUREBRED ANGUS' around the bottom edge. To the right, the text 'DODDS CATTLE' is written in a large, bold, serif font, with 'Annual Sale' in a cursive script below it. The date 'FEBRUARY 25, 2024' is prominently displayed in a large, light blue, sans-serif font. Below the date, it says 'AT OUR FACILITIES • BELGRADE, NE • HOSTED ON DV AUCTION'. A cursive line of text reads 'Will be selling Spring and Fall Bulls, Open Heifers, Pairs, & Heavy Bred Cows'. Underneath, a list of sires is provided: 'A FEW SIRES FROM OUR LINEUP INCLUDE BALDRIDGE DRAG IRON • BYERGO SMARTFEED BEAL BREAKTHROUGH CONNEALY CLARITY • RB CHAINBREAKER.' The contact information 'CONTACT US WITH ANY QUESTIONS OR TO GET ON OUR CATALOG LIST BOB | 308-750-5636 • TONYA | 308-550-2092' is in a bold, sans-serif font. A cursive line at the bottom of the ad says 'Visit our website or find us on all social media platforms for up to date information.' The website address 'WWW.DODDSCATTLE.COM' is at the very bottom in a large, light blue, sans-serif font. The background of the ad is a faded image of a field with a fence and trees.

The Silver award is the second level of the NJAA Recognition Program that began in 1972. Junior Angus breeders must apply for the award, then meet point requirements in many areas of participation before receiving the honor. Applicants are evaluated in areas of junior Angus association activities and leadership, participation in showmanship, contests and shows, using performance testing to improve their

herd and their progress in producing and merchandising Angus cattle. The NJAA promotes the involvement of young people in raising Angus cattle, while also providing leadership and self-development opportunities for the nearly 4,500 active members nationwide. -Written by Amber Wahlgren, Angus Communications
